## Which servers do I have access to (IPv4 and IPv6)?

With all accounts, you have access to the following servers:

### **US Server:**

usnews.blocknews.net

### **EU Server:**

eunews.blocknews.net

### **EU Server 2:**

eunews2.blocknews.net

### **IPv6 Access (Your ISP and Newsreader must support this option)**

### **US Server:**

usnews-v6.blocknews.net

### **EU Server:**

eunews-v6.blocknews.net

### **EU Server 2:**

eunews2-v6.blocknews.net
